

A Path to a 2009 Assessment

What can we expect to accomplish by when?

			Focused Workshops Building Consensus	TF Meetings Reviewing Results, Planning
2006	Jan	New Research & Report Writing	Model Comparison	
	June			(Arctic, Hg/POPs...)
	Oct		Future Emissions	
2007	Jan		Integrated Obs	
	June			(Protocol Review...)
	Oct		?	
2008	Jan		?	
	June			(?)
	Oct		?	
2009	Jan		?	
	June	1 st Assessment Report		(?)

HTAP Report Outline – Interim report 2007

Inform the review of the Gothenburg protocol

Mainly based on already published literature and already ongoing activities within TF and CLRTAP. CLRTAP document.

Draft in April 2007; To be discussed/adopted in the TF HTAP 2007 meeting feeding into the EMEP SB and the EB fall 2007.

- 1 Executive Summary *Conclusion should not be binding the work to be performed for the 2009 assessment.*
- 2 Introduction - Approaches to assess HTAP from observations and modelling, including the mutual supporting roles of emission inventories, monitoring and models
- 3 The status of monitoring data relevant for the HTAP
- 4 Evidence from observations of HTAP
- 5 Emission inventories and projections for HTAP
- 6 Model approaches to assess the HTAP
- 7 Critical review of SR and transcontinental transport
- 8 Activities of the TF

HTAP Report Outline – Interim report 2007

Inform the future of the CLRTAP

Mainly based on new information

Draft in April 2009; To be discussed/adopted in the TF HTAP 2009 meeting feeding into the EMEP SB and the EB fall 2009.

- 1 Executive Summary Balanced judgement
- 2 Introduction - Approaches to assess HTAP from observations and modelling, including the mutual supporting roles of emission inventories, monitoring and models
- 3 The status of monitoring data relevant for the HTAP
- 4 Evidence from observations of HTAP
- 5 Emission inventories and projections for HTAP
- 6 Model approaches to assess the HTAP
- 7 Critical review of SR and transcontinental transport
- 8 Activities of the TF
