

CONGRESS ON THE ATMOSPHERIC AIR PROTECTION

"ATMOSPHERE – 2009"

**PROGRAMME**

Of the 12<sup>th</sup> All-Russian conference

*“Regulatory-methodological, technical and information support of the air protection activity”*

*The Venue: "Pulkovskaya" hotel  
Congress hall (Ploshad' Pobedy, 1)*

Saint-Petersburg  
2009

## 30<sup>th</sup> of March 2009

09.00–10.00 Registration of participants  
10.00–10.10 Opening of the conference. Welcoming speeches

### **Plenary session:**

**Chairman: Nedre Andrey**

10.10–10.20 The representative of the RF Ministry of Natural Resources – Welcoming Speech

10.20 –10.40 **Nedre Andrey** (Director of FSUE “SRI Atmosphere”) "Implementation in the Russian Federation of the strategy concerning air protection activity providing the targets which are being attained by the Ministry of Natural Resources of the Russian Federation within the framework of the “Activity plan of the Government of the Russian Federation for 2012” and "Strategy of the socio-economic development of the Russian Federation for 2020";

10.40–11.00 **Cheljukhanov Valery** (Head of the department for monitoring of environmental pollution, polar and marine activity of Hydrometeorology and Environmental Monitoring Agency - RosGidroMet) “Monitoring of the atmospheric pollution as performance criteria concerning the atmospheric air quality management”;

11.00–11.20 **Zavjalov Sergey** (Head of the special-purpose inspectorate of the state inspection agency for the atmospheric air protection of the Ministry of Natural Resources and Environmental Protection of the Republic of Belarus) ".....";

11.20–11.40 **Sorokin Nikolay** (Deputy Chairman of the Committee of the Saint-Petersburg City Administration) "The framework of the air protection activity in Saint-Petersburg ";

### **11.40–12.00 Coffee break**

12.00–12.20 **Milyaev Vitaly** (Deputy Director of FSUE "SRI Atmosphere") "The applicability of different types of regulation concerning the emissions of pollutant substances into the atmosphere ";

12.20–12.40 **Koplan-Diks Valentina** (Deputy Director of FSUE "SRI Atmosphere") "On the necessity of implementation of the ecological atmospheric air quality standards into the regulation system concerning the emissions of pollutant substances into the atmosphere";

12.40–13.00 **Burenin Nikolay** (Head of the department of FSUE "SRI Atmosphere") "Contemporary approaches to the optimization of the regulation system concerning the emissions of pollutant substances into the atmosphere";

13.00–13.20 **Gubanov Anatoly** (Head of the technical regulation laboratory of FSUE "SRI Atmosphere") "Switching to the best available technologies – as one of the key elements of the improvement of state regulation system concerning the emissions of pollutant substances into the atmospheric air";

13.20–13.40 **General discussion**

### **13.40–14.40 Lunch**

### **Plenary session (follow-up):**

**Chairman: Nedre Andrey**

14.40–15.00 **Morozova Irina** (Head of the department of FSUE “SRI Atmosphere”) "Regulation of the atmospheric pollution in the RF subjects on the basis of critical loads";

15.00–15.20 **Volkodaeva Marina** (Head of the department of FSUE “SRI Atmosphere”) "The application of summary calculation results for the regulation of emissions of pollutant substances into the atmospheric air ";

15.20–15.40 **Tsibulsky Vladimir** (Head of the department of FSUE "НИИ Атмосфера") "Odour recognition by means of dynamic odorimetry";

15.40–16.00 **Korolenko Liubov** (Deputy Head of the department of FSUE "SRI Atmosphere") "Modern trends in the development of the analytical control techniques";

### **16.00–16.20 Coffee break**

16.20–16.40 **Rebrik Ivan** (Director of the department for the environment, occupational and industrial safety, UC RUSAL) "The options for the improvement of the regulation system concerning the adverse impact on the atmospheric air in the RF aluminum industry";

16.40 -17.00 **Conclusions and discussions**

**17.00 -18.00 The meeting of the Working group on the exchange of scientific and technical information in the field of the atmospheric air protection.**

**18.00 –20.00 Welcome reception**

## **31<sup>st</sup> of March 2009**

### **Plenary session**

***Chairman: Nedre Andrey***

10.00–10.20 **Kosarikov Aleksandr** (Deputy Chairman of the Environmental Committee at the of State Duma) "Participation of the Russian Federation in the activity aimed at the implementation of the Kyoto Protocol after 2012";

10.20–10.40 **Gorshkov** *The Montreal Protocol*

10.40–11.00 **John Munte** (IVL, Sweden) "Critical loads, monitoring and modeling – IVL experience";

11.00–11.20 **Matz Lindgren, Oke Mikaelsson** (Swedish Environmental Protection Agency (SEPA), Sweden) "Regulatory framework for the air protection activity in Sweden";

**11.20–11.40 Coffee break**

11.40–12.00 **Franco De Santis** (CNR-IIA Institute, Italy) "Application of the diffusive sampling for the air monitoring in the museum premises. Examples and potential of this technique".

12.00–12.20 **Aleksandr Berezin**, (Mak Master University, Canada ), **Katarina Grant**, (Ministry of Environmental Protection, Canada) "Technical and economical grounds for setting of the air pollutant standards for the Province of Ontario".

12.20–12.40 **Milyakov Viktor** (Head of the department of FSUE “SRI Atmosphere”) "Review of the new regulatory and procedural documents in the field of air protection activity for 2008";

12.40– 13.00 **Bezuglaya Emma** (Chief for laboratory of the main state hydrometeorological observatory named after A.I.Voejkov) ".....";

**13.00- 14.00 Lunch**

14.00–14.20 **Shatilov Radiy** (Deputy Head of the department of FSUE “SRI Atmosphere”) “.....”;

14.20–14.40 **Johan Voerman** (DCMR, Netherlands) "Air quality policy in the Netherlands by the example of the territory in the neighborhood of Rotterdam ";

14.40–15.00 **Johan Voerman** (DCMR, Netherlands) "Electronic noses as a potential tool for the odour regulation in the industrial areas".

15.00–15.20 **Ivan Holoubek** ( RECETOX, Czech Republic) "MONET – Monitoring of POP’s in ambient air using the passive air sampling technique – pilot projects in the Central and Eastern Europe, including the Russian Federation".

15.20 –15.40 **General Discussion**

15.40 –17.00 **Meeting of the Methodical Council for the regulatory support under the “Scientific-research institute for atmospheric air protection”**
